

Registration Application Instructions

(Updated 12/08/2012)

Please fill out the application completely. Make checks payable to: **Eddie Miller**. Send PayPal payment to eddieanmiller@hotmail.com. AMCSBA can now accept applications by e-mail, as well as USPS.

Transfers

Buyers: To transfer ownership of an animal you purchased (you already have a certificate of registration), please complete the first available *Certificate of Transfer* section on your certificate, and submit it to the registry with \$5.00. No separate application is required. Your transfer information will be recorded in the registry database, and your certificate will be signed, dated, and returned to you.

Sellers: For transfers completed by the seller at the time of registration, on behalf of the buyer, see next page.

New Registrations

Note: lambs born in 2012 must be registered on or before December 31, 2012 in order to receive the \$7.00 registration fee. A sheep that is registered after its year of birth is subject to a registration fee of \$10.

Sheep Registration Application

- The registration application allows you to enter up to 7 sheep on one page. The first entry (in red) is an example entry.
- Enter the name of the Sheep or Lamb (optional).
- Enter the ear tag number. **REQUIRED.** Any ear tag or tattoo that identifies this sheep as an individual is acceptable. For example, you may use its USDA Scrapie Tag number, or a farm ear tag number. For more information about the Federal Scrapie Eradication Program, and associated ear tags, please contact your state veterinarian. **Applications lacking ear tag or tattoo numbers will be returned to the applicant for completion.**
- Enter the animal's sex (R=Ram; E=Ewe; W=Wether).
- Enter the animal's date of birth.
- Enter type of birth (single, twin, or triplet).
- Enter the animal's color (B=Black; W=White; D=Dilute).

- Enter the AMCSBA registration number of the sire
- Enter the AMCSBA registration number of the dam.

NOTE: This registry only accepts offspring of registered parents. Please enter the parents' registration numbers. If registered with a different miniature Cheviot registry, please include the name of that registry. The registrar reserves the right to review, and accept or deny registrations deemed inconsistent with registry rules and breed standards.

- Enter the registration fees: \$7 or \$10.
- Seller completing transfer on behalf of buyer-- include \$5 for the transfer, and use the "NOTES" section to include the buyers name, address, phone number, and e-mail. Indicate if you would like the registry to forward the certificate to the new owner. If no indication is made, the certificate will be mailed to the applicant.
- The "NOTES" section may also be used to include any clarifications or special instructions/requests.
- Enter the total amount owed. Please make your check payable to Eddie A. Miller, Registrar. Paypal payments can be sent to eddieannmiller@hotmail.com.
- Fill in name, farm name, contact info, including e-mail and website, if applicable.
- Sign and date.
